

BEYOND ORDINARY.

Technical pool construction for rooftop, podium
and complex projects.

COMPLEX POOLS. ONE FOCUSED TEAM.

Nature Pools & Landscapes is a specialist construction company founded by Ryan Piconi. We work with builders, developers and consultants on technically complex and architecturally demanding aquatic projects.

Our in-house trades team brings continuity to the work, from planning and construction through to commissioning and handover.

ROOFTOP & PODIUM

Elevated and suspended pools, acoustic isolation, structural coordination, balance tanks and constrained build sequencing.

COMMERCIAL HYDRAULICS

Design and installation of hydraulic systems, with equipment selection and coordination suited to the project requirements.

ARCHITECTURAL FEATURES

Acrylic panels, infinity and wet edges, mosaic finishes and bespoke details integrated with the wider build.

COMPLETE DELIVERY

Design and documentation, procurement and planning, construction, commissioning and handover within the agreed scope.

BEHIND THE WATER.

ARCHITECTURAL POOL | KANGAROO POINT

01 DESIGN & DOCUMENTATION

Bring the pool scope, engineering interfaces and hydraulic requirements into focus.

02 PROCUREMENT & PLANNING

Coordinate equipment, material selections, access and the construction sequence.

03 CONSTRUCTION & DELIVERY

Integrate structure, acoustic isolation where specified, waterproofing and finishes.

04 COMMISSIONING & HANDOVER

Complete system commissioning and hand over the operating information for the pool.

HELM.

CHEVRON ISLAND, GOLD COAST

PROJECT COMPANY

LPS Group

ARCHITECTURAL DEVELOPMENT POOL

A shaped pool and circular spa form the centre of the shared outdoor setting. The overhead views show the relationship between the water, circulation and surrounding landscape.

Project photography from the supplied Nature Pools portfolio.

CALI BEACH.

SURFERS PARADISE, GOLD COAST

PROJECT COMPANY

5Point Projects

ROOFTOP HOSPITALITY

Multiple pools, leisure areas and a rooftop setting designed around a hospitality destination.

Nature's published project account describes the central pool, private plunge pools, structural coordination and finishes suited to coastal exposure. The setting moves from daytime leisure to an illuminated poolside venue after dark.
